INFORMATIVE DIGEST

SUMMARY OF EXISTING LAW AND POLICY STATEMENT OVERVIEW

Existing law permits the Commissioner to collect an annual fee from each admitted disability insurer or other entity liable for any loss due to health insurance fraud doing business in the state. The annual fee, which may not exceed ten cents annually for each insured under an individual or group insurance policy issued in the state, is to be used to fund increased investigation and prosecution of fraudulent health insurance claims. The proposed regulations will implement Section 1872.85 of the Insurance Code, which was enacted in 1991, and will set the annual at ten cents annually for each insured under an individual or group disability insurance policy that has been issued in the state.

EFFECT OF PROPOSED ACTION

The proposed regulation specifies that, on December 31 of each calendar year, admitted disability insurers and other entities doing business in the state that are liable for any loss due to health insurance fraud, shall report to the Commissioner on the number of insured persons that are covered by an individual or group disability policy. The report will be made in a format and manner prescribed by the Commissioner. Based on this report, the annual fee of ten cents for each insured will be collected on June 1 of each calendar year.

MANDATES ON LOCAL AGENCIES OR SCHOOL DISTRICTS

The proposed regulations do not impose any mandate on local agencies or school districts. There are no costs to local agencies or school districts for which Part 7 (commencing with Section 17500) of Division 4 of the Government Code would require reimbursement.

COST OR SAVINGS TO STATE/LOCAL AGENCY OR SCHOOL DISTRICT OR IN FEDERAL FUNDING

The Commissioner has determined that the proposed regulations will result in no cost or savings to any state agency, no cost to any local agency or school district that is required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4 of the Government Code, no other nondiscretionary cost or savings imposed on local agencies, and no cost or savings in federal funding to the State.

ECONOMIC IMPACT ON BUSINESSES AND THE ABILITY OF CALIFORNIA BUSINESSES TO COMPETE

The Commissioner has made an initial determination that the proposed regulations may have a significant, statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states. The types of businesses that may be affected are insurers. The Commissioner has not considered proposed alternatives that would lessen any adverse economic impact on business and invites interested parties to submit proposals.

POTENTIAL COST IMPACT ON PRIVATE PERSONS OR ENTITIES/BUSINESSES

The Commissioner is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

FINDING OF NECESSITY

The Commissioner finds that is necessary for the welfare of the people of the state that the regulations apply to businesses.

EFFECT ON JOBS AND BUSINESSES IN CALIFORNIA

The Commissioner is required to assess any impact the regulations may have on the creation or elimination of jobs in the State of California, the creation of new businesses, the elimination of new businesses, and the expansion of businesses currently operating in the state. The Commissioner does not foresee that the proposed regulations will have an impact on any of the above but invites interested parties to comment on the issue.

IMPACT ON HOUSING COSTS

The matters proposed herein will have no significant effect on housing costs.

ALTERNATIVES

The Commissioner must determine that no reasonable alternative considered by the Commissioner or that has otherwise been identified and brought to the attention of the Commissioner would be more effective in carrying out the purposes for which the

regulations are imposed or would be as effective and less burdensome to affected private persons than the proposed regulations. The Commissioner invites public comment on alternatives to the regulations.

IMPACT ON SMALL BUSINESS

The Commissioner has determined that the proposed amendments will not affect small businesses.

COMPARABLE FEDERAL LAW

There are no existing federal regulations or statutes comparable to the proposed regulations.
